This Report is not a guarantee, whether in expressed and implied only, the characteristics of the diamond described herein after it has been graded, tested, examined and analyzed by the laboratory providing this Report ("GIA") and/or has been received using the trademarks and equipment used by GIA at the time of the examination and/or inspection. Any changes reported in the examination are not a guarantee, whether in warranty of a diamond's quality, purity of origin or source, or that the diamond will be acceptable to the recipient in the future (since acceptance can be rescinded). GIA makes no representation concerning any trademark, word, or symbol which is included by GIA or which is identified in this Report. The recipient of this Report may wish to consult a professional jeweler or gemologist for the information contained herein.
